- **Rebate Submission:** If installed by a contractor we suggest having your contractor assist you with completion of this application.
- **Instructions:** Mail application for processing along with any related receipts and/or invoices showing the improvements installed or completed and marked paid in full. Please ensure that invoice shows date of installation, price paid, and contractor information.
- **Quality Assurance reviews will be conducted by Duquesne Light Company and/or CLEAResult representatives. Installation completed by a participating contractor will be reviewed on a random basis. Installation completed by a homeowner will be reviewed in every case.**
- **Air sealing rebates require a blower door test, with CFM50 score, performed prior to and following air sealing installation to accurately calculate electric energy savings. The cost of blower door testing is the responsibility of the customer.**

**Rebate Terms and Conditions**

1. You must be a Duquesne Light Company residential customer with mailing address in the United States.
2. Equipment and services must be purchased and installed between June 1, 2021, and May 31, 2026.
3. Product(s) must be purchased in brand new condition. Purchases from Mac.Bid or any other auction website are ineligible.
4. The rebate application must be completed in its entirety and submitted with all required documentation.
5. The rebate application must be submitted within 90 days of installation date and be postmarked or submitted online by June 6, 2026. Must submit one rebate application form per unit.
6. This program is subject to Act 129 program funding availability.
7. You may be required to grant a Duquesne Light Company representative site access to verify the installation of the equipment. Work completed by a homeowner will be reviewed in every case. If you refuse to provide access, Duquesne Light Company has no obligation to provide you with a rebate. If your equipment is selected for verification, rebate processing time may be extended.
8. Duquesne Light Company's Pennsylvania utility and/or their designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
9. Duquesne Light Company does not endorse any specific manufacturers, dealers or contractors.
10. Duquesne Light Company provides no warranty for the installed equipment and/or product.
11. Duquesne Light Company and CLEAResult®, their parents, subsidiaries, employees, affiliates, and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
12. Your right to receive this rebate will not be earned unless you purchase a qualifying product, complete each of the required steps of the application, and meet the terms and conditions listed on the application and on this website.
13. Duquesne Light Company is not responsible for lost, late, damaged, illegible, misdirected or postage-due applications.
14. Your rights to this rebate cannot be assigned or transferred.
15. Excessive submissions constitute fraud and may result in federal prosecution under the U.S. mail fraud statutes (Title 18, USC 1341 and 1342).
16. All submitted materials become property of Duquesne Light Company and will not be returned.

*Subject to Watt Choices program funding availability. Paper checks will be mailed to customers within 60 days of the postmark date on your qualified application. To review the status of your application please email [DLC.REEP@clearesult.com](mailto:DLC.REEP@clearesult.com) or call 1-866-787-5237.
